### SINGING AT MT. ZION.

The singers and visitors met at Mt. Zion in honor of the kindness shown us by Uncle Jim Allen, also to celebrate Aunt Sallie Winn's birthday, on October 24th. The house was called to order by H. J. Bachelor, chairman. Vice-chairman of the Jim Allen Singing Society who sang two songs and led in a word of prayer. C. L. Rowe was appointed to lead the introductory lesson.

The house then went into organization for the day, the following officers being elected: H. J. Bachelor, chairman; E. A. Lowrey, vice-chairman; Jennie Allen, secretary. The following arrangement committee was appointed by the chairman: J. J. Jones, W. C. Clark and Collis Wise. The committee then reported a lesson by three songs each: J. H. Wood, W. J. Martin, M. J. Helms. Recess five minutes.

House called to order by the chairman. After singing two songs the committee reported a lesson by four, three songs each: E. A. Lowrey, W. C. Strickland, O. G. Simmons, Z. S. McLeod. The chairman sang one song, "Send A Blessing," and dismissed the congregation one hour for dinner.

Afternoon Session.  
House called to order by the chairman singing two songs, while the committee reported a lesson by four, three songs each: R. A. Lowrey, W. C. Clark, C. L. Baker, J. L. Maddox. Recess five minutes.

House called to order by the chairman singing one song. Committee reported a lesson by four, three songs each: R. C. Lowrey, E. L. Wilson, M. C. Fleming and M. C. Boutwell. Recess five minutes.

House called to order by the chairman singing two songs, while the committee reported a lesson by three, three songs each: C. M. Thomas, C. R. Wise and D. L. Martin. It was moved and adopted that there will be an annual singing on the 29th day of May every year to celebrate Uncle Jim Allen's birthday. The chairman sang 208 and R. A. Williams dismissed with a word of prayer.

Resolution Of Thanks.  
Resolved, that we the singers and visitors are due and hereby extend our heartfelt thanks to the good people of Mt. Zion community for their kindness shown us, especially do we thank the good ladies for the nice dinner that had been prepared by them. We also want to thank the church people for their house, and the officers of the singing society for their kindness to all. May God's richest blessings rest with them all forever.

Respectfully submitted  
H. J. Bachelor, Chm.,  
E. A. Lowrey, V-Chm.,  
Jennie Allen, Secty.

Will Brunson, of Elba, is the loan man. If you want to borrow money on your hands, see him. He specializes in the loan business and has an abstract plant which enables him to give prompt service—adv.

Wise farmers never engage in speculation.

Let the children play grown-up by helping mother, and every-day tasks that must be performed about the house will prove more attractive.

Store seed corn in the attic or in some place where it will not freeze. Do not tie it, nor put it in bags, but bang it up so the air can circulate around every ear.

## MILLION BAPTISMS HAD BY BAPTISTS

New Evangelistic Record for Nation for Five Years Set Up in South.

WOULD DEVELOP MEMBERS

Effort to Enlist Entire Constituency of 3,500,000 in Regular Giving Planned Soon.

More than one million new members have been received into the Baptist churches of the South by baptism alone during the past five years, according to a survey by Dr. E. P. Aldredge, statistical secretary of the Southern Baptist Convention. The exact figures, 1,037,559 baptisms.

DR. ELLIS A. FULLER, Superintendent of Evangelism.

set a new record not only for Southern Baptists, but for any evangelical body in America, the records reveal this achievement is equivalent to 24 baptisms for every hour, 576 for every day, 8,950 per week, 17,292 per month and 207,610 per year.

Prominent in the achievement of this result has been the Home Mission Board of the Southern Baptist Convention, which has headquarters at Atlanta, Ga. This board, organized eighty years ago, has, within that time, more than a million baptisms and 1,037,559 additions to the churches to show for the labors of its missionaries, while the agents of the board have within that period raised and disbursed in mission work in the South, Panama and Cuba the sum of \$15,115,335.10.

Last 22 Years Productive  
The larger part of these achievements of the Home Board has come during the past 22 years, covering the secretaryship of Dr. D. D. Gray. Under Dr. Gray's administration the workers of the board have baptized 602,047 persons, received 1,122,344 persons into the churches and organized 4,517 new churches. Within the same period the agents of the board have raised and disbursed in mission work the sum of \$14,723,595.87.

The evangelistic department of the Home Mission Board has been its greatest single evangelistic asset. This department has been without an active record recently, but the board has just called to that position Dr. Ellis A. Fuller of Greenville, S. C., and he is expected to start his work October 1. He is a young man of college and seminary training and has been unusually successful in soul winning and other phases of work as a pastor.

Southern Baptists have been far more successful in winning converts and church members than they have been in the general spiritual development of the members. It is pointed out, in the hope of bringing about a development of the 3,574,531 members of the denomination to the point where all of them will have a share in supporting all the missionary, educational and benevolent work fostered by the denomination, an Every Member Canvass will be conducted in a majority of the 27,000 Baptist churches throughout the South, during the late fall and winter, the majority of the states employing the week of Dec. 6-13.

Would Enlist Every Member  
The canvass will be conducted under the general auspices of the cooperative program, which is fostering state, home and foreign missions. The Baptist schools, hospitals and orphanages, and the work of ministerial relief. The ideal toward which the commission is striving is that of every member, giving every week to every cause in proportion to his ability, through his local church. As fully as possible individual families are being urged to give a tenth of their income to Christian work.

So extensively have the various missionary and benevolent enterprises fostered by Southern Baptists grown in their states that it now requires a minimum of \$12,000,000 per year to keep the work growing. Each state is being asked to provide the proportionate share of this amount. The state boards, in turn, are asking the respective associations in their states to accept definite quotas for 1925, and the associations, in turn, are asking the local churches to assume a definite proportion of the associational objective for the year.

## HOT LUNCH HELPS SCHOOL CHILDREN.

A hot dish at noon will go a long way toward keeping the child in school properly nourished through the winter months, and will improve his health and school marks, say home economics workers at Auburn.

The hot lunch need not be a burden if it is properly planned. If the school is small it is sometimes possible for the mothers to take turns at supplying a hot dish for the noon meal. The dish may be prepared at home and simply reheated at school or, if school equipment permits, the ingredients may be sent to the school and the dish prepared by the students or teachers. Scalloped vegetables, cream, or cream soups are all possible if this plan is used.

Sometimes a mother's club or parent-teachers' association can be interested in giving equipment for preparing a hot dish at school. For this a list of the necessities should be made, to avoid duplication. The school authorities may be able to supply a one-burner or two-burner oil stove or other cooking apparatus. If a stove must be purchased, an entertainment may be given to raise the needed money.

Simple lessons in cooking, in food values, and in hygiene may be drawn from the use of the hot dish for the noon lunch. "Mothers who feed a hot lunch is unnecessary should try a cold one themselves on some chilly day," say the specialists. "When they realize the advantages of a hot dish at noon for their children they can usually find a way to furnish it."

Small Town Humor and Philosophy

By BUCK CAMPBELL

He who loves his neighbor, in the sense meant, honors and loves his God as well.

There may be a fault to the humor, but it does not yet seem to have reached.

The government is telling of the new design for its \$100 bills. What was the old design?

Some men swear because it is the only means they have of attracting attention to themselves.

A post office clerk in a small town is like the snail—so soon as you think it is settled it breaks out in a new place.

Young men should be careful of what they read. The golden rule of success is never found between the pages of a dime novel.

A young lady became a saint a young man from drinking, and then he refused to marry her because she was (double-faced and red-headed)—mean thing!

Southern Baptists have been far more successful in winning converts and church members than they have been in the general spiritual development of the members. It is pointed out, in the hope of bringing about a development of the 3,574,531 members of the denomination to the point where all of them will have a share in supporting all the missionary, educational and benevolent work fostered by the denomination, an Every Member Canvass will be conducted in a majority of the 27,000 Baptist churches throughout the South, during the late fall and winter, the majority of the states employing the week of Dec. 6-13.

**WRIGLEYS**  
AFTER EVERY MEAL  
THE FLAVOR LASTS  
Probably one reason for the popularity of WRIGLEYS is that it lasts so long and returns such great dividends for so small an outlay. It keeps teeth clean, breath sweet, appetite keen, digestion good. Fresh and full-flavored always in its wrapper package.

**How Doctors Treat Colds and the Flu**  
To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Caloric, the purified and refined colored compound tablet that gives you the effects of colored and salts combined, without the unpleasant effects of either.

One or two Caloric at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger.

Get a family package, containing 100 tablets, only 50 cents. At any drug store.

## NEGRO IS KILLED AFTER FLOGGING.

Luverne, Ala., Nov. 7.—Sheriff P. H. McQueen and his deputies are searching for Maxey Miller and Thaxton Miller, young white men, who are charged with murder in connection with the shooting of Tom Lowry, negro Friday afternoon. Lowry was shot seven times with a 32-calibre automatic pistol. This death was instantaneous. Thaxton Miller is alleged to have fired the fatal shots. It is reported that both Thaxton and Maxey Miller have left the state.

The shooting which occurred at a sawmill near Honorville, following the flogging, Thursday of Grant Lowry, father of Tom Lowry, the deceased, and Tank Lowry, another relative. The floggings, it is stated, were administered by seven masked negroes. Both negroes claim, it is stated that the floggers wore the robes of a secret order. Tank Lowry, it is said, stated the only reason given for the punishment by the masked men was that he was drinking whiskey and that they told him if he did not stop that they would kill him. Some five or six negroes have been flogged in this county during the past four months by masked men. Grant Lowry is said to have made a trip to Montgomery, Friday, to consult with federal authorities there.

According to reports of the shooting of Tom Lowry, Friday afternoon Thaxton Miller and the negro were engaged in an altercation earlier in the day. Miller then went home and returned with his brother Maxey Miller, it is stated, the altercation was resumed, resulting in the shooting. The negro was unarmed, it is stated, although it is understood that Thaxton Miller claims the negro was attempting to hit him with a piece of scuffling.

**MR. H. W. MIXON PASSES TO THE GREAT BEYOND.**

On last Monday, October 19, the death angel visited our community and took away one of our most honored and beloved citizens. We do not quite understand why this good man was called from our midst as he was considered one of the most useful and loyal citizens of our community. His departure has left a vacancy which can never be filled.

H. W. Mixon was born in New Tabernacle community on March 16th, 1866, lived and died within one quarter of a mile of his home. His life was a life of usefulness and christianity. He united with the Methodist church at an early age and has always been a loyal and faithful member. He was a man of many duties and to stand by his church and fellow men in every way. He will be greatly missed by the Sunday School as he was always on time and overcame objections to the assessments.

Notice is further given that said assessments are on file in the Town Clerk's office and that any person interested may examine the same and that at said time when the Council shall meet will hear and determine all objections and complaints and will fix and determine the assessments done by order of the Town Council.

Done by order of the Town Council of the Town of Elba, Ala., at its regular meeting, this 2nd day of November, 1925.

**TOWN COUNCIL, TOWN OF ELBA, ALA.**  
E. F. BLOCKER, Mayor.  
Attest: L. M. HAM, Clerk.

## POULTRY PROGRESS GOOD IN ALABAMA.

Auburn, Ala., Nov. 9.—On November 1st a new fiscal year for poultrymen began. The year ending October 30 was highly successful for the poultrymen of Alabama, according to a statement issued by G. A. Trollope and H. A. Gardner, extension poultry specialists. The price of eggs was higher than the average of previous years, and the industry as a whole made rapid strides.

After making this statement these poultry experts say that many other improvements can be made the ensuing year. In order that those who have poultry may measure their own methods the following questions are asked.

Have you disposed of the unprofitable birds (males and females) this winter? Are you feeding a high-grade balanced ration that will return the greatest profit for the amount invested? Have you made definite plans for the breeding season ahead by selecting a breeding pen or arranging for the purchase of eggs or chicks from a reputable breeder?

Have you examined, recently your birds for parasites, such as lice, mites, scaly-leg, and worms?

Wouldn't it be well to place a permanent leg-band on the pullets as an aid to culling, etc. in the future?

Will your flock have access to an abundance of succulent grasses?

Do you immediately remove from the flock every individual that shows the first symptom of sorehead, roup, or other disease?

Are you marketing your eggs to the best advantage? The county agents, men and women, are making poultry inspection one of their major projects.

**TOWN TAX NOTICE.**  
To Whom It May Concern, and particularly those who may own property situated in the Town of Elba, Ala.

Notice is hereby given that the Town Clerk of the Town of Elba, Alabama, has returned to the Town Clerk's office, upon the property of the said Town made from the State and County assessments as provided by law. Further notice is given that said assessments have been made and completed for the current year, the same being the year for which taxes are due on December 1st, 1925 and the Town Council has set Tuesday November 24th 1925 at 7:00 P. M., as the time the Council will hear and determine all objections to the assessments.

Notice is further given that said assessments are on file in the Town Clerk's office and that any person interested may examine the same and that at said time when the Council shall meet will hear and determine all objections and complaints and will fix and determine the assessments done by order of the Town Council.
